

Department of Community Medicine Government Medical College, Akola (MH)

Cordially invites you to be a part of

Basic Research Methodology Workshop-2024

3 Days Workshop for Undergraduate Students of MBBS

17th -19th October

Venue:

Dr. Dilip Mahalanabis Hall

Department of Community Medicine, GMC Akola (MH)

<p>Background</p>	<p>Research aptitude is neglected in MBBS curriculum. ICMR, MUHS, UGC, DBT, etc. tries to promote research aptitude and scientific temperament among undergraduate students of the country. There was felt need to train the undergraduate students systematically.</p> <p>Hence, Dept. of Community Medicine, GMC Akola in collaboration with ICMR conducting this workshop on research methodology exclusively for undergraduate students. Where the intention is to expose the students to the eminent scientists of ICMR.</p> <p>In this workshop, participants will gain practical skills to conduct basic research projects like ICMR's STS and other research projects addressing the clinical & public health challenges with an evidence-based approach. The collaboration with ICMR enhances the program's scope, providing participants with access to expert guidance and national-level perspectives on medical research.</p>
<p>Eligibility</p>	<p>Undergraduate MBBS Students admitted to medical Colleges in year 2021, 2022 & 2023.</p>
<p>Number of Participants</p>	<p>Total 30 students.</p>
<p>Shortlisting Process</p>	<p>Participants will be selected based on concept notes, methodology of undergoing project and personal statements. Proposals must align with national health priorities. Expert panel will evaluate submissions on feasibility, innovation, ethics, and relevance.</p>
<p>Faculty for Workshop</p>	<p>Faculties for the workshop will be the experts from the ICMR and Department of Community Medicine, GMC Akola.</p>
<p>Accommodation and transport</p>	<p>Accommodation and food will be provided by the host institute to the candidates only.</p> <p>Travel allowances will be reimbursed (actual bus fare/ 3AC rail fare will be applicable. Private vehicle or air fare will not be reimbursed)</p>
<p>Registration fees</p>	<p>500 Rs. for registration after selection.</p>
<p>Course Work</p>	<p>This workshop will cover various aspects of research methodology. The topics include:</p> <ul style="list-style-type: none"> • Introduction to Basic Medical Research Methodology • Literature Review and Reference Management • Study Design and Data Collection Methods • Basic Biostatistics and Data Analysis Techniques • Ethical Issues and Considerations in Medical Research • Presenting Research Findings Effectively

<p>What does the participant gain?</p>	<p>By the end of the workshop, participants will:</p> <ul style="list-style-type: none"> • Have a clear understanding of the basic concepts and importance of medical research. • Be able to formulate relevant research questions and design appropriate studies. • Acquire skills in data collection, management, and basic statistical analysis. • Learn the essentials of writing research proposals and scientific papers. • Understand the ethical considerations in conducting research.
<p>How to reach Akola?</p>	<p>Akola is well connected within and outside the state of Maharashtra with a completely established Rail and Road network, connecting it to various parts of the country.</p>
